Brethren (Elgin, IL) or via Zoom

# ONE EARTH, ONE CHANCE

A conversation on care for creation

Keynote speaker:  
David Radcliff,  
New Community  
Project

God has gifted us a fine planet—which we are quickly making into a mess. Join a discussion (in person or virtually) of the harm we cause and the healing we can bring to our wondrous but fragile home. This free creation care event will feature a keynote followed by several breakout options.
